

WE NEED YOUR INPUT!

GREENWOOD/PHINNEY LANDBANKED SITE PARK PROJECT

Seattle Parks and Recreation is designing a new park at the Greenwood/Phinney Landbanked site. Please join Seattle Parks and Recreation's Planner and Cascade Design Collaborative's designers at the Greenwood Car Show to provide ideas about this exciting new park development.

We will have an Open House to inform you about the project and gather your ideas for the park design.

This project will provide additional open space for the Greenwood/Phinney community and is located at 8100 Greenwood Avenue N, 98103. Funding for this park project is provided by Seattle Park District to preserve open space in urban areas throughout Seattle.
